This free design uses two colours and a variety of shapes to create an overall pattern. Using cross stitch borders adds emphasis and helps the novice to count and place stitches correctly. The blackwork is used as a filler inside the cross stitch and creates a lacy effect.

Materials:

14 count Aida, 9 x 9 inches

Threads

DMC stranded cotton

307 Lemon, one skein

699 Christmas green, one skein

Tapestry needle No.24

Stitches used:

Back stitch

Half back stitch

Cross stitch

Method:

Start from the centre of the design working outwards using one strand of cotton for the back stitch and two strands for the cross stitch.

These motifs can be joined together to make a larger item such as a cushion - just allow additional material.
